## WHAT IS JTEP?

## JOB TRAINING & ENTREPRENEURIAL PROGRAM

This program is available to all GHA Public Housing residents and Housing Choice Voucher participants. Staff provides intense case management, assessment tools, and resources to help program participants create short and long term goals

### Our Mission

To build public and private partnerships to assist with job search, job placement, provide case management and advocacy to ensure our program participants success.

### Our Vision

Our vision is to promote pathways to economic freedom for individuals and families working to achieve self-sufficiency. Educational attainment, employment and entrepreneurship are our foundation.

### Our Purpose

Job Training and Entrepreneurial Program (JTEP) assists Public Housing residents and Housing Choice Voucher participants who are unemployed, underemployed or just desire to be empowered to attain personal growth and financial security.

## On the Job Training Program

Earn while you learn. We are excited to announce our new on-the-job training ELITE Force. Combining both classroom and related job opportunity, GHA and JTEP created the ELITE Force program to help you acquire the skills needed to grow into a viable career. If you have ever worked in any construction related job, this unique opportunity could be a fast track to a great job for you. If you have no construction related background, but are interested in a career in construction, manufacturing, or logistics, or even eventually owning your own operation, this is the opportunity for you. The training, focused on becoming a facilities maintenance technician, is provided to you at no charge plus GHA will hire you as a facilities aide as you learn the needed skills to advance. For more information or register for the program contact the JTEP department 352-872-5500.

## VOLUNTEERS NEEDED

We are always looking for people who like to help others. We are looking for volunteers to help in our community centers Monday-Friday from 3-5pm with youth programs, marketing materials, educational workshops and much more. If you have good communication skills and a creative side, please contact one of our team members at 352-872-5500
