RE: HUD 2020 Choice Neighborhoods Planning Grant

Gainesville Housing Authority intends to submit an application for the 2020 Choice Neighborhoods Planning Grant.

The Choice Neighborhoods program leverages significant public and private dollars to support locally driven strategies that address struggling neighborhoods with distressed public and/or HUD assisted housing through a comprehensive approach to neighborhood transformation. Local leaders, residents, and other stakeholders, such as public housing agencies, cities, schools, police, businessowners, nonprofits, and private developers, come together to create and implement a plan that revitalizes distressed HUD housing and addresses the challenges in the surrounding neighborhood.

The program helps communities transform neighborhoods by redeveloping severely distressed public and/or HUD-assisted housing and catalyzing critical improvements in the neighborhood, including vacant property, housing, businesses, services and schools. Choice Neighborhoods is focused on three core goals: housing, people, and neighborhood.

The Gainesville Housing Authority will ensure that all communications are provided in a manner that is effective for persons with hearing, visual, and other communications-related disabilities consistent with section 504 of the Rehabilitation Act of 1973 and, as applicable, the Americans with Disabilities Act. In addition, Title VI of the Civil Rights Act of 1964, 42 U.S.C. 2000d and Executive Order 13166 require that grantees take responsible steps to ensure meaningful access to services, programs, and activities by persons with Limited English Proficiency (LEP persons).
